Report of Principal and School Improvement Council

Blenheim Elementary Middle School is located at the center of the town of Blenheim, SC and houses grades Pre-K through 5th, 7th and 8th. Our first full year in the new "State of the Art" facility was a success! We continued to implement a rigorous core curriculum which included instruction in Mathematics, Science, Social Studies, and Language Arts. The Read 180 Initiative was implemented this year for grades 5 – 8 and provided strategies to help improve achievement in ELA. Our 8th grade Algebra I and English I students became the first in the district to participate in the South Carolina Virtual Schools Program. Physical Education, Character Education, Music and Visual Arts helped to develop the social and intellectual skills of our students.

Blenheim staff worked hard to prepare students for the PASS exam and end of course testing. Benchmark testing was used to identify areas of weakness so that strategies could be put in place to help students master the needed skills. Year-round professional development was provided to all staff members at the district and school level.

This year saw our students receive numerous awards in community, county, and state contests. Individual achievement was acknowledged through participation in Media Literacy, Academic Challenge, and Science Fairs. Students participated in the Accelerated Reading Program and received awards for highest points earned. We continued our male mentoring program, B.O.W. Tie, which brought pride to our 7th grade students.

Our parents participated in decision making through active involvement in the revision of our Strategic Plan, Title I Plan, School Improvement Council, and other parent involvement programs. Progress on our students was communicated through report cards and parent conferences. We are proud of the cooperation and collaboration that exist among all stakeholders who worked together to provide our students with a challenging and academic experience.

Mr. Parnell Miles, Principal

Ms. Tiffany Covington, SIC Chairperson

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	17.3
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Blenheim Elementary/ Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
X	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
